

Frog – Frog Lounge (indoor - outdoor)

design Piero Lissoni

Armchair and chaise longue available for indoor and outdoor.

Padded armchair with supporting frame in steel with grey epoxy powder coating or shiny chromed finish and on request, AISI 304 stainless steel with matt satin-finish. Metal chassis embedded in cold- expanded polyurethane foam. Covering in 100% polyester thermally bonded onto a polyamide velveteen backing. Back and seat cushion with performed polyurethane foam structure, covered with acrylic fibre layers. Quilted fabric or leather upholstery. The fabric version only is fully removable by zippers and Velcro fastenings after unscrewing the chassis from the supporting frame.

Woven armchair and chaise longue.

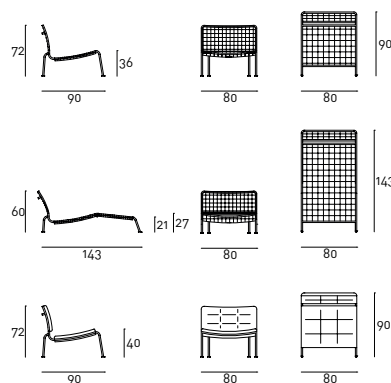

Indoor: supporting frame, shiny chromed finish, AISI 316 stainless steel with matt satin-finish or in steel with grey epoxy powder coating. Woven with hide, hempen rope or with PVC profile, in the colours of our collection. Supporting cushions in polyurethane foam covered with acrylic fibre layers and fabric or leather upholstery.

Outdoor: supporting frame in AISI 316 stainless steel with matt satin-finish. Woven with PVC profile, in the colours of our collection. Supporting cushions in open cell structure polyurethane foam FILTREN®T, coated with fibre for outdoor. Upholstery with outdoor fabrics only.

Cushions' upholstery, in both versions, fully removable by zippers.

Seat depth 51-60cm.

The supporting frame of armchair Frog in stainless Steel AISI 316, has undergone and passed the corrosion test (UNI ISO 9227:93) with issue of relative certificate by CATAS®.
