THE NEW PRICE OF  
MATRIOSHKA YET?

**MATRIOSHKA** by Stone Designs

Now in Grey!

Sultry and mysterious smokey grey glass illuminates wonderfully on the lamp's shapely form. Mix and match all 4 colours!

**ROSE AVE** Location: Palm Springs, California, United States  
BEADS penta in cool chrome - Dinner has never been this glamorous.

**CAU** Location: London, England  
Rows of Steve Jones' BUBBLE add a bit of sparkle to this Argentinian steak house.

## OUR HERO / BANKSY

Pseudonymous UK-based graffiti artist, Banksy, is known for his distinctive stencilling style and the satirical nature of his public artwork. His aversion to the commercialisation of art and his work created for the sake of expression are true inspirations to creative producers across all disciplines.
